

**Data protection. Information pursuant to art. 13 of Legislative Decree 196/2003.
Privacy Code**

**(published in the Official Journal of 29/07/2003, general series no. 174, Ordinary Supplement
no. 123)**

1. Purpose of processing

The data is processed in relation to contractual requirements and the consequent fulfillment of legal and contractual obligations arising from them, as well as to achieve effective management of commercial relationships, for example also for the purposes of credit protection, to allow the management of accounting, the issuing of accounting documents, the communication of promotional initiatives.

2. Method of processing

The data is processed in written form and/or on magnetic, electronic or telematic media, mainly with electronic and computer tools and stored both on computer media and on paper media and on any other type of suitable media.

3. Mandatory nature

The provision of data is mandatory for all that is required by legal and contractual obligations.

4. Consequences of refusal to provide data

In the case of failure to provide data that are not attributable to legal or contractual obligations, this is assessed from time to time by the undersigned and determines the consequent decisions related to the importance of the requested data with respect to the management of the commercial relationship.

Subjects/categories of subjects to whom the personal data may be communicated or who may become aware of them in their capacity as managers or agents, and the scope of dissemination of the same data.

Without prejudice to the communications and dissemination carried out in compliance with legal obligations, the personal data may be communicated in Italy and/or abroad:

- a) to the personnel of the undersigned company in their capacity as managers and agents for processing for the management of the practices relating to the contract in place;
- b) to factoring companies, Chambers of Commerce, State bodies responsible for checks and controls, credit institutions, debt collection companies, credit insurance companies, professionals and consultants (such as accountants, lawyers, labor consultants, technical consultants) for the correct execution of the tasks assigned to them.

The data will be processed for the entire duration of the relationships established and also subsequently for the fulfillment of all legal obligations as well as for future commercial purposes of Our company.

In any case, the prohibition on communicating or disseminating your personal data to subjects not necessary for the performance of the services or products requested by you remains firm.

Data protection. Information pursuant to art. 13 of Legislative Decree 196/2003. Privacy Code

Rights of the interested party

In relation to the processing of personal data, the interested party has the right pursuant to art. 7 of Legislative Decree. n.196/2003 ("Right of access to personal data and other data") of the Privacy Code, within the limits and under the conditions set out in articles 8, 9 and 10 of the aforementioned legislative decree:

1) The interested party has the right to obtain confirmation of the existence or otherwise of personal data concerning him or her, even if not yet recorded, and their communication in an intelligible form.

2) The interested party has the right to obtain the indication:

a) of the origin of the personal data;

b) of the purposes and methods of processing;

c) of the logic applied in the event of processing carried out with the aid of electronic instruments;

d) of the identification details of the owner, managers and designated representative pursuant to art. 5, paragraph 2

e) of the subjects or categories of subjects to whom the personal data may be communicated or who may become aware of them in their capacity as designated representative in the territory of the State, manager or persons in charge.

3) The interested party has the right to obtain:

a) the updating, rectification or, when interested, the integration of data;

b) the cancellation, transformation into anonymous form or blocking of data processed in violation of the law, including data whose retention is not necessary in relation to the purposes for which the data were collected or subsequently processed;

c) certification that the operations referred to in letters a) and b) have been brought to the attention, also with regard to their content, of those to whom the data were communicated or disseminated, except in the case in which such fulfillment proves impossible or involves the use of means manifestly disproportionate to the right protected.

4) The interested party has the right to object, in whole or in part:

a) for legitimate reasons to the processing of personal data concerning him/her, pertinent to the purpose of the collection;

b) to the processing of personal data concerning him/her for the purpose of sending advertising or direct sales material or for carrying out market research or commercial communication.
